

Module 4 – Dashboard Layouts with Real Visual Elements

Updated design: actual chart-style visuals, pie charts, scatter plots and a world-map visual are shown inside the layout instead of empty graph placeholders.

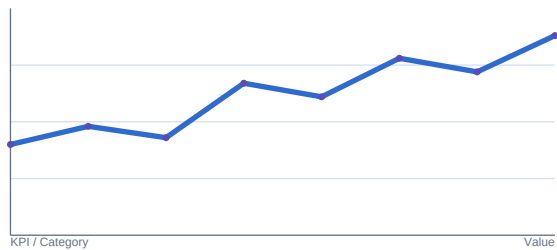

4 Dashboards	24 KPI Visuals	4 Common Filters	7 Interactive Actions
------------------------------------	--------------------------------------	--	---

University Overview

Navigation → Filters → KPI cards → six real visualizations → interactive comparison actions

Performance Trend

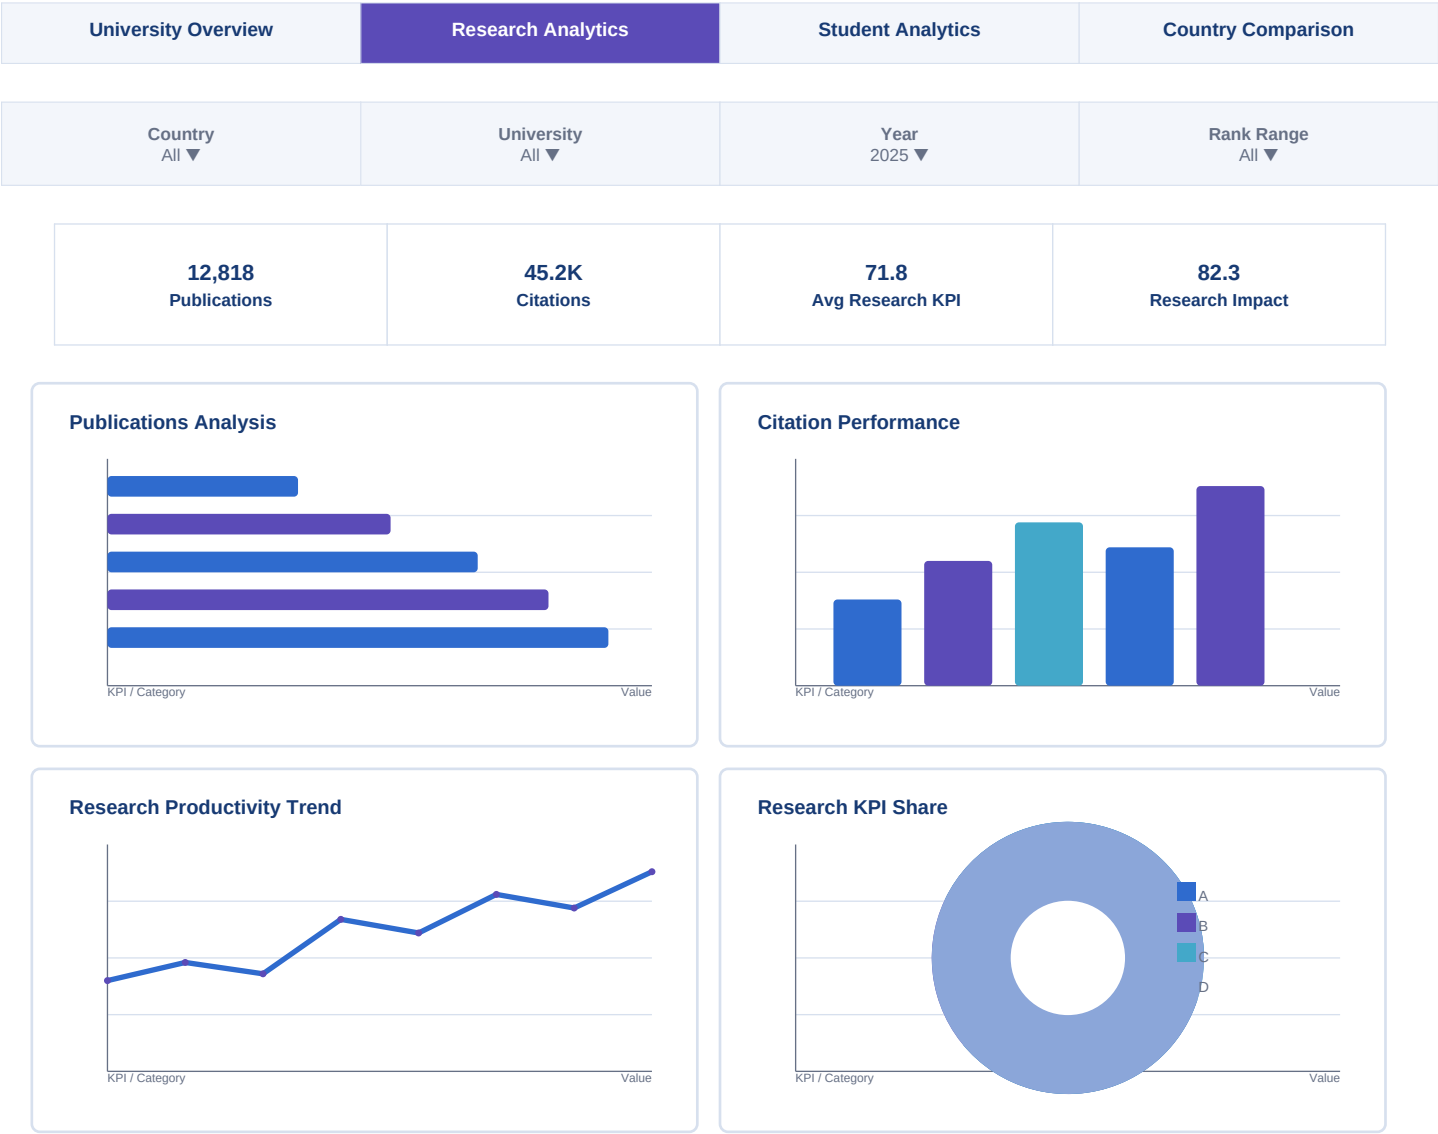

University KPI Table

University	Rank	Score	KPI
University 1	1	92	80
University 2	2	89	82
University 3	3	86	84
University 4	4	83	86
University 5	5	80	88
University 6	6	77	90

Research Analytics

Navigation → Filters → KPI cards → six real visualizations → interactive comparison actions

Research Impact Comparison

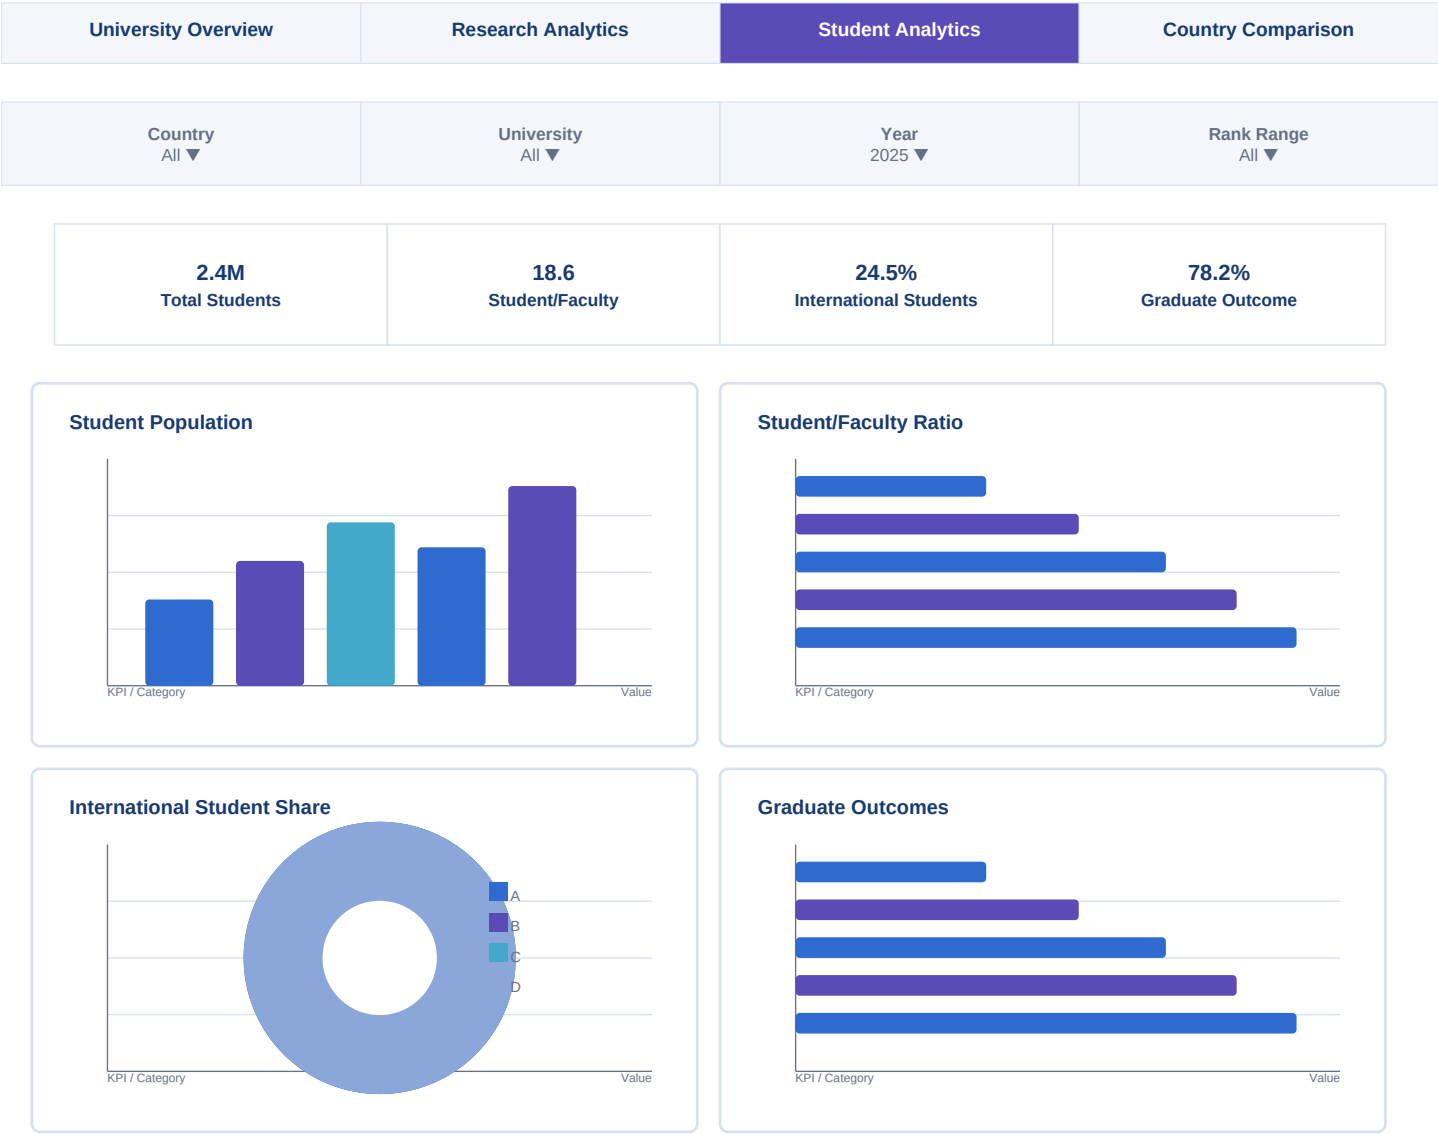

Research KPI Table

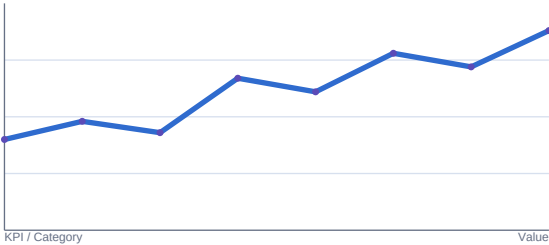

University	Rank	Score	KPI
University 1	1	92	80
University 2	2	89	82
University 3	3	86	84
University 4	4	83	86
University 5	5	80	88
University 6	6	77	90

Student Analytics

Navigation → Filters → KPI cards → six real visualizations → interactive comparison actions

Student Trend

Student KPI Table

University	Rank	Score	KPI
University 1	1	92	80
University 2	2	89	82
University 3	3	86	84
University 4	4	83	86
University 5	5	80	88
University 6	6	77	90

University 6	6	77	90

Interactive Dashboard Actions

Navigation	Move between the four dashboards using the top navigation tabs.
Filter	Country, University, Year and Rank Range update all connected visualizations.
Highlight	Select a university or country to highlight its KPI values across the dashboard.
Compare	Use the scatter/bar visuals to compare two KPI dimensions interactively.
Drill-down	Select a chart mark to inspect the detailed KPI table.
Tooltip	Hover over a chart element to display exact values.
Reset	Use Reset Filters to return to the default dashboard view.
